

<b>Lot No</b>	<b>Description</b>
1	Colchester Mascot 1600 lathe overall length 120" complete with toolings, handbook and spare 12" 3 jaw chuck, 16" 4 jaw chuck and 2 other 3 jaw chucks. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
2	Promecam RG50 press brake and tooling. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
3	Geka minicrop metal working machine and tooling cabinet and contents. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
4	Bridgeport Series 1 2hp milling machine with Super Power bed. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
5	Jelsingrad Hapa 251 125SU press brake. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
6	F.J. Edwards Ltd Model 4/16 T/G Besco metal working guillotine. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
7	Large sand/shot blasing cabinet with 240 volt work light, 1.70m tall x 1.60m wide x .84m deep, overall. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
8	Bewo type CPO315HT metal working circular saw. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
9	Pollard Corona Model 2NY radial arm drilling machine. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
10	Pollard Corona pillar drill 100A1. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
11	Large quantity of machine drills, twist drills and adjustable reamers in 4 drawer metal tool chest.
12	Crownshaw Chapman & Co fly press on stand, standing 1.80m tall. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
13	Miracle Bender size 2, no. 1211 on pedestal stand.
14	Hopkins twin arm pedestal polishing machine. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
15	Desoutter AFD40 air pillar drill.
16	George Hatch Ltd manual sheet metal roller 944mm rollers on heavy duty castors.
17	Heavy duty engineers cutting bench with slotted work surfaces and stops, 3m long x 305mm deep x 910mm tall.
18	Engineering roller bench 1.80m long x 400mm deep x 980mm tall.

<b>Lot No</b>	<b>Description</b>
19	3 girder trestles.
20	Large heavy duty steel welders bench 2.85m long x 1.20m deep x 720mm tall.
21	Pedestal hand winding metal rollers. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
22	William Allday & Co., Alcosa Blacksmiths forge, pattern no. MF137BH with 240 volt blower. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
23	Vintage belt driven foot operated Blacksmiths hammer. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
24	Large Blacksmiths anvil 1m wide x 570mm tall x 200mm deep. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
25	2 floor mounted Blacksmiths pedestals.
26	Large Blacksmiths anvil 1.50m wide x 400mm tall. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
27	Medium size Blacksmiths anvil on stand and associated tools.
28	Parkinsons No. 8 large engineering vice on pedestal stand.
29	Record No. 75 rotating engineers vice.
30	Perfect model J. Samsonia heavy duty engineers vice.
31	Perfect model J. Samsonia heavy duty engineers vice.
32	Migatronic MIG385 welding machine.
33	2 boxes unused welding wire Arcweld 2S2 and ESAB weld G3SI1 and part used roll 1mm wire.
34	Migatronic PI250 welding machine in Smartline wheeled cabinet.
35	Migatronic Delta 160E welding machine and box of assorted welding rods.
36	Portabel Mosa Magic Weld MKII petrol welder generator.
37	IWS Tig 185AC/DC welding machine.
38	Jasic Pro cut 45PFC air plasma cutting machine.
39	Various welding torches, hoses and welding accessories.
40	Large timber joiners bench 1.98m x .93m.
41	Record No. 53A joiners vice.
42	Record Marples No. 04 smoothing plane, vintage wooden plane and a tenon saw.

<b>Lot No</b>	<b>Description</b>
43	Quantity hardwood timber slabs and posts.
44	12 x laminated maple furniture panels 650mm x 800mm x 20mm.
45	Startrite tilt arbor circular saw 137mm saw blade, 240 volt. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
46	Bux bench mounted portable pillar drill.
47	Large vintage Book & Hickman woodworking machine, combing bed saw, planers and morticer. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
48	Large metal engineering bench, 3 drawers, 3 locking cupboards and open shelving 3.00m wide x 700mm deep x 840mm tall. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
49	Large 8 drawer metal tool chest 1.30m tall x 770mm wide x 710mm deep.
50	Record No. 1 small engineering vice.
51	A. Ornstin Ltd "The Little Marvel" arbor press and similar No. 12 press.
52	Wheeled battery stand, battery chargers and a SMF high endurance start battery (condition of batteries unknown).
53	Tecalemit paraffin wash tank with foot pedal pump, 900mm wide x 600mm deep x 970mm tall, on heavy duty castors.
54	Lumber Jack BDE 1200, 1200w, 1,500 litre dust extractor, 230 volt.
55	Britruck pallet lift.
56	Various work trestles and wheeled bench.
57	3 rollers on stancheons.
58	Quantity of mild steel bars and rods up to 6m long and small quantity sheet steel.
59	Strapex 351600 banding machine, 240 volt. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
60	9 x 1m circular polished glass table tops, 3 x 800m x 800mm square glass table top and round cornered table top 1m x 550mm (unused).
61	Quantity of workshop lubricants, oils and consumables to include Classic Engine oil 20w-50, roof repair tar, grease, workshop paints, etc.
62	Span of fixed construction workshop racking 2.5m wide x 600mm deep x 1.57m tall with heavy duty 25mm chipboard deck.
63	Nederman workshop extractor 240 volt.
64	2 ton chain lever hoist.

<b>Lot No</b>	<b>Description</b>
65	Workshop overhead jib hoist with DMac 250kg hoist and TRA lift 500kg hoist, 3.5m stancheon and 3.90m jib arm. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
66	Sealey static mounted crane, 900kg. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
67	Large jib hoist with 250kg lift and 4m boom (not tested). *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
68	Large mixed lot to include engineering tools, dust masks, welding masks, clamps, transformers, wraps, etc.
69	Workshop boom light. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
70	Wall mounted 240 volt extractor. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
71	A.J.H. Gryphon 2 wheel grinder.
72	Fintec 75 belt finisher. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
73	Metal engineers bench 2m x 1m x 920mm tall.
74	Mark RM11KW compressor with upright chamber. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
75	Unimatic GFM4433 CNC machine, 240 volt. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
76	Unior 5 drawer tool chest.
77	3 sledge hammers.
78	Tool rack and 5 drawer tool chest.
79	Small set of folding steps.
80	2 wheeled dolly.
81	Vintage G. & J.H. Ministry tap and die set and quantity of various other taps and dies.
82	Record No. 924 and 918 bolt croppers, 2 Record pipe wrenches and pipe clamp.
83	2 vintage engineers bench stools.
84	5 x large industrial ribbed glass factory lighting shades 550mm diameter (one cracked).
85	Vintage red fire bucket.
86	Quantity of Record Carver Python and other G clamps and engineering clamps.
87	Presto Minor 2000 hand threader and dies.

<b>Lot No</b>	<b>Description</b>
88	2 engineering toolboxes and contents and 3 wall mounted fittings chests.
89	Hilti SPN6-A22 cordless nibbler, 1 battery, no charger. Currently working.
90	Hilti GDG6-A22 cordless die grinder, 1 battery, no charger, currently working.
91	DeWalt XRP hammer drill, 1 battery, no charger, working.
92	NTS pot riveter and rivets together with Performance orbital sander hot air gun.
93	Makita 110 power drill.
94	240 volt engraving gun.
95	DeWalt XPRDC123 hammer drill and DeWalt cordless angle grinder, 2 batteries, no charger.
96	2 boxes of shackles, chains and lifting straps.
97	Hilti TE18M 110 volt hammer drill.
98	Hilti TE7 hammer drill, 110 volt.
99	Hilti HDM500 pump gun.
100	Perkes 800 watt 110 volt angle grinder.
101	Ryobi 110 volt belt sander together with a Bosch 110 volt angle grinder.
102	Metabo 240 volt 9" angle grinder and box of Stahl metal cutting discs.
103	Hikoki 110 volt 9" angle grinder.
104	2 x Bosch GWS 750 angle grinders, Clarke angle grinder with UAB grinding and sanding attachments.
105	Box of 110 volt extension cables.
106	Vintage Nottingham Corporation metal deed box and wooden tool chest.
107	Manual banding machine with reel of black banding.
108	Sealey 240 volt diesel space heater.
109	5 8' x 4', 2" square mesh panels.
110	4 x Clarke 500kg wheel bogies/skates.
111	Mixed lot vintage car parts, dashboards, steering wheels, fuel tanks, jerry cans, etc.
112	Large metal locking tool cabinet (locked - no key). *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
113	Large 1.8m x 1.5m tipping shovel. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.

<b>Lot No</b>	<b>Description</b>
114	Various compressed air tools and hoses.
115	Box lot of assorted collets.
116	15 drawer tool chest, open shelf unit with various nuts, bolts, hardwards, rolls of wire, etc.
117	Medium size 2 wheel trailer with loading ramp, bed size 2m x 1.2m.
118	Komatsu FD25 fork lift truck. To be retained until final day of collection for assisting with loading. *The purchaser shall at its own cost be responsible for disconnecting, dismantling and removing item purchased from the Auction location.
